TWO GAMES YOU CAN'T MISS

FRIDAY 9 AND SATURDAY 10, JUNE 2023

WALK BY THE LA CONCHA BAY AND DISCOVER THE BEST “PINTXO” ROUTES

Three mountains, three beaches, one island and a river surround the city of San Sebastian. Beyond its natural beauty, the capital of Gipuzkoa owes its charming reputation to its architecture, quality of life and famous gastronomy.

BEACHES

The city is blessed with three beaches, each one has its own personality: Ondarreta, the family beach. La Concha, the queen. And Zurriola, the youngest.

MONUMENTS AND SCULPTURES

A beautiful 6 km coastal walk is a magnificent example of Basque avant-garde architecture, featuring works by the most famous figures of contemporary Basque art..

Temple of gastronomy

Sixteen Michelin stars, a gastronomic university, pintxos or the possibility of tasting real gems of haute cuisine in mini portions, two designations of origin (Idiazabal cheese and Getaria txakoli) which can be found in the best restaurants around the world, traditional markets that are a real pleasure for the senses and a very wide range of top quality natural products. For these reasons and many others that you will discover when you visit San Sebastian, the city is a paradise for true foodies.

SPOTS

San Sebastian's attractiveness lies not only in its cuisine but also in its beaches, culture, walks by the sea or surf culture. It's an exceptional place to bring the whole family together. Just come and see!
